Need 2hr clip color graded

Fixed-price - Intermediate - Est. Budget: $45

I am seeking a skilled video to color grade 2 videos. One video is 46 minutes and the other video is 1 hour and 16 minutes. They were both shot in slog3 (I have a lut to use) These 2 videos feature a tutorial on hair extension procedures, with two different camera angles alternating as the speaker delivers the lesson. I have the lut I applied on the already graded video clips so please us...

About Dataset

Introduction...🫡

As a freelancer (Top_rated on Upwork) I was always looking for dataset about freelance jobs so...

I'm excited to introduce my newly curated dataset which I've scrapped, cleaned and organised beside keeping most info which maybe helpful; encompassing freelance job postings from Upwork (most popular freelance site), spanning February and March 2023. This treasure trove consists of +60,000 job, diversely focused on three thriving sectors: 3D (Art & Architecture), programming, and marketing.
